

## **GUIDELINES FOR USE OF GAZEBO & BARBECUE AREA Shadow Creek, Summer 2022**

The purpose of these guidelines is to establish procedures for use of the gazebo and/or barbecue area behind the Shadow Creek buildings

### **Who can use the Barbecue & Gazebo Area:**

Shadow Creek residents and their guests may use the area together. Multiple individuals and/or groups may use the area at the same time. **Reservations are not normally needed.**

Members of each group should determine if face coverings and/or social distancing are needed based on the vaccination status of members in their group and the local covid situation. **Given that immune-suppressed individuals are still at high risk for covid-19, and that vaccines are not 100% effective, please assume that everyone else wants maximum protection.**

Please leave furniture neatly arranged after use.

### **Scheduling Use:**

It is possible to schedule the gazebo and barbecue area for a private gathering of residents and their guests between 8:00 am and 9:00 pm. The area may be reserved in two-hour blocks for such an event.

To schedule the gazebo and barbecue area, please go to:  
<https://calendly.com/shadow-creek-gazebo/reservation> Helen Cartwright is available to assist with the reservation website (303-443-7872).

When there are no reservations, the area is available for use, on a first-come, first-serve basis. Multiple residents may use the area at the same time.

**Barbecue Grill Use:** Shadow Creek maintains a barbecue grill near the gazebo for the use of all Shadow Creek residents. Some basic expectations are required for everyone's enjoyment. The grill surface requires cleaning after each use (use the grate brushes that are provided). Once the grill has cooled, the protective grill cover must be reinstalled. Empty propane gas tanks should be reported to Rich Wildau or Helen Cartwright for replacement.

### **Noise:**

Please be sensitive that excessive noise can negatively affect neighboring residents.

### **Questions:**
