

GUIDELINES FOR POOL USE AT SHADOW CREEK

SUMMER 2023

The purpose of these guidelines is to ensure a safe environment for all residents and guests who wish to swim in the third summer of COVID-19. Consideration of others is paramount in making these guidelines workable.

The pool is now open for use by residents.

Who can use the pool

Shadow Creek owners and residents, along with their guests, can use the pool together – in groups of 10 or less. *A resident must be present when non-resident guests are using the pool.*

Access to Pool

The pool can be used from 6:00 am until 9:00 pm. ***Reservations are required ONLY on Tuesdays, Thursdays and Saturdays between noon and 5:00 p.m. All other times are open swim.*** Some residents desire a quiet time or want to socially distance. The blocks of reserved time on Tuesdays, Thursdays and Saturdays allow for those preferences.

Scheduling Use of the Pool

Reservations are required **ONLY** on Tuesdays, Thursdays and Saturdays between noon and 5:00 p.m. Reservations on these days are limited to one hour.

An electronic calendar of available times is accessible a week in advance. The pool may be reserved for a half-hour or one-hour slot on any Tuesday, Thursday or Saturday between noon and 5:00 p.m. Please update the calendar if your plans change.

Pool Maintenance

Pool maintenance will be handled once again by Peak One. They will come on Mondays, Wednesdays and Fridays to do routine maintenance. They will also send information on water temperature, chlorine and PH level to management and communicate any advisories relating to safe pool use.

Please contact Helen Cartwright at 720-966-8475 if there are issues with Peak One performance or problems with the condition of the pool.

HAVE FUN!
